## Every life is important to God

- Young and old
- Weak and strong
- Sick and healthy

*Your life matters. Let's celebrate that!*

## Life can sometimes feel overwhelming

- Loss of a job or relationship
- Troubles in school
- Mental or physical illness
- Divorce or separation
- Death of a loved one

You might feel worthless, abandoned, isolated—  
but there is *HOPE*

## This is HOPE:

- In God's time, our troubles will subside
- Through our connections to God and to one another we can find strength for *each day*
- Each of us is here for a reason
- Moment by moment, there is *help* and *hope*

## **Your life is important!**

- To others
- To the world we live in
- To God

**God knows your *joys* and *triumphs*.**

**God knows your *struggles* and *failures*.**

## When God seems far away, there are people who can help.

**Friends**

**Loved ones**

**Clinical professionals: counselors, therapists, doctors**

**Co-workers/Colleagues**

**Your minister, priest, imam or rabbi** *[insert name you use in faith community]*

**Others here at** *[insert name of faith community]*

---

**Anyone can be God's listening ear when  
we feel most troubled and alone!**

**If you or someone you know has lost hope, is feeling alone, or like life doesn't matter...  
*reach out for help.***

**This is especially important if there are thoughts of hopelessness, suicide or wanting to die.**
